North & Pine Studio

June 2026

CARE STATUS
Healthy

Based on recorded maintenance and scheduled public-site observations.

01 EXECUTIVE SUMMARY

The month at a glance

“Your website stayed healthy, secure, and up to date. This month we completed routine maintenance, resolved two content issues, and verified every scheduled availability check.”

 OBSERVED STATUS Healthy 30 of 30 scheduled checks passed	CHECKS PASSED 30 / 30 Scheduled public checks	CARE COMPLETED 4 items Client-visible work recorded
---	---	---

Scheduled observations only. This report does not estimate uptime or guarantee availability.

02 WORK COMPLETED

The care behind the result

01	SECURITY Applied routine security updates and verified the public site. Jun 4
02	PERFORMANCE Optimized large homepage images for faster delivery. Jun 12
03	CONTENT Published the revised summer services page. Jun 18
04	SUPPORT Resolved an issue affecting the contact details in the footer. Jun 25

03

PROBLEMS PREVENTED

Verified updates on the public site before closing the maintenance task.

Confirmed important pages remained reachable throughout the month.

04

RECOMMENDATIONS

Review and refresh the portfolio photography next month.

RP

CLOSING NOTE

Your website is in good shape. We will continue monitoring it and taking care of routine maintenance next month.
